Compiled from the material from Brian Stephens' popular "Working Drummer" clinic presentations, this two CD set is a blueprint for anyone wishing to create and nurture a career in the music business as a working, professional drummer. Stickin' It Out presents the listener with a concrete way to turn a dream into pure reality.

This CD set is a must have for anyone wishing to build a solid career for themselves as a successful, professional drummer. You will find this two CD set both informative and motivational as you move toward a career in the music industry. This CD package feels almost like having Brian right by your side through every step of the process, offering advice and encouragement as you reach for your dreams.
